We would be honored to have you share this special day with us.

Our Love Story

How It All Began

HAMLE 24, 2016 E.C.

How We Met

My story with her began at a Christian fellowship program at the university. I met her for the first time when I was invited to preach the Word of God, while she was serving as a leader in the fellowship. From that moment, something about her stayed in my heart, and ovwer the next four years, my feelings for her grew into something

truly special.

She Said Yes

With courage and hope, I decided to take a step of faith and ask her to start dating. As we spent more time getting to know each other and growing closer, she said yes — a moment that filled my heart with joy and marked the beginning of our journey together.

Our Engagement

Exactly one year later, I took another important step and we got engaged. It was a beautiful milestone that strengthened my commitment and deepened my love for her.

TIKIMT 2 → MIYAZYA 24, 2018 E.C.

Shemglena & Wedding

On Tikimt 2, I formally sent the Shemglena request, honoring our family traditions and bringing both families together in preparation for our future. Now, with a grateful heart and deep love, I joyfully look forward to our wedding on Miyazya 24, 2018 E.C., the beginning of our lifelong journey together.
